Sapphire 2026 is proud to support Their Future Today & Project Roots. Their Future Today, led by Lynn Stanier MBE FRSA, promotes family care in Sri Lanka, supports families to prevent abandonment, ensures the education of children to prevent the cycle of poverty and is trying to introduce a foster care system to the country. Project Roots aims to reconnect the Sri Lankan diaspora with their heritage, fostering a deeper understanding and appreciation of their cultural roots while supporting local communities. Sapphire 2026 is honoured to promote these remarkable initiatives and their invaluable contributions to society.

Presidents' *Welcome*

Our Dear Friends,

Another year has passed and Sapphire has returned!

We started planning Sapphire nearly a year ago and over these past several months both of us have been honoured to be working with the most dedicated team we could have hoped for. The path that we have walked has not been without its bumps but at every hitch in the road we've had the support of our team and that is something we are truly grateful for. We cherish the memories we have made during this process and are saddened that it has to come to an end.

Sapphire has now been running for 29 years. Originally starting in our university's bar and slowly growing to the point that it is held in the Hilton London Metropole attracting 1000 guests from all over the country, Sapphire has been a true reflection of the Sri Lankan community in the UK – a community that builds upon each other and thrives on connection. We are so proud of everything Sapphire has achieved and the impact it has had on our society.

We welcome back our band Hasthi who have spent the last couple of years solidifying themselves as some of the best musicians in the scene. They will be sure to keep you captivated alongside the kings of entertainment: Bathiya and Santhush. Furthermore, Arjun is back - gracing the stage with his melodies and unrivalled talent. And finally, Sanka Edirisinghe rounds off our line up echoing his father's flair and elegance.

From the delicious buffet by Rantharu Caterers to the afterparty hosted by DJ Ashen Fer, we hope every second of tonight is as enjoyable as the last. A massive thank you to all the vendors who have come onboard to make this event a reality – your support is invaluable. Finally, our heartfelt appreciation extends to our guests without whom Sapphire wouldn't have had the chance to become this pillar in our society and have this incredible legacy.

Thank you for joining us! We hope to see you sometime in the future,

Hiruka & Levon

ENSURING CHILDRENS EDUCATION APPEAL

School meals & book giving: Help keep children in school

In some schools, only Grades 1–5 receive meals, while older pupils go hungry, causing malnutrition, fainting, and dropout. We're ensuring all children get a school meal and learning materials to ease the financial burden, helping families stay together and supporting their education.

£9 can feed a child a school meal for an entire month

Donate today to support rural school childrens education

All donations help us continue to provide school books and nutritious meals to over 250 children annually
